## **UNLOCKING THE TRUTH | FREEING THE INNOCENT**

LaFaye Gaskins with Project team:  
Amelia Maxfield, Nilam Sanghvi, Jon Butler

In June we welcomed home two clients in just two days: William Johnson and LaFaye Gaskins. Together, they lost more than 50 years of their lives to wrongful incarceration for crimes they did not commit.

William and LaFaye were both welcomed home by loving family members as well as their legal teams. You can read more about their stories [here](#).

Your gift can make the next exoneration of an innocent person possible. Join us this October in celebration of freed and exonerated clients and in support of innocent people who are still fighting for their freedom.
